

TJ² Parents

We need Your Help!!!

Parent/s Name _____ e-mail _____

Phone number _____ student's name _____

Include cell number/s if that is a good contact for you. Thanks so much!!!! _____

This is a fun team to be involved with. We offer you a way to be involved in your child's life without being in their way. How you can be involved...please circle all that apply:

Build Group Yes No

Savage Soccer will start up the build season. This group of build will be meeting on Tuesdays and Thursdays after school, from approximately October 20th until November 14th. Once kick-off of the new season, the build team usually meets on Tuesday and Thursday evenings, and all day on Saturday from the first weekend in January through the Saturday of February vacation in room D134 at BRRHS. We build the robot, build a cart, and construct a practice field. We provide lunches to our build team on Saturdays-we need cooks, food, and help. The build group maintains the build room and machines. Build group also formulates the drive team and game strategy.

How can you help or what are your special talents?

Tie Dye Group Yes No

The Art team tie-dyes our T-shirts, wristbands, and any other clothing that the team members want. We also create cheering items for the team. We meet in room D134 at BRRHS. We run September through February. Dates/times TBD.

How can you help or what are your special talents?

Web Group Yes No

This group designs and maintains the TJ² website. Students will upload pictures, videos, create graphics, and document team events. This group will meet from September to June. Dates/time/location TBD.

How can you help or what are your special talents?

Computer Animation Yes No

This group creates a computer animation using 3D Studio Max. We start September after school, and we have to produce our finished animation in February. We also produce the team video. We create a scouting database and provide information to the drive team at the competitions. We scout teams at the competitions.

How can you help or what are your special talents?

CAD Yes No

This group will learn Inventor and Solid Works to produce CAD models and prototypes of our future robot. This group will produce the Inventor Award submission. This group will meet from September to April. Date/times TBD.

How can you help or what are your special talents?

Programming Yes No

This group will choose and learn Labview/CTT/or JAVA programming and apply their skills to this year's robot and game. This group will meet from September through April. Dates/times TBD.

How can you help or what are your special talents?

Publicity, Fundraising and/or Outreach Yes No

We run many fund raisers to help our students raise the monies needed to help support our team. We could use help with all of them. We need help chaperoning, publicizing, and organizing these events. Fund raising ideas? Items we could raffle? For Canal Day, we need chaperones, barbeque supplies, food, and cooks. For Auction – need “big tag” items, cashiers, organizers, and publicity.

How can you help or what are your special talents?

Please list below, any questions or concerns you may have. I will try and answer all questions ASAP. You will get a personal reply at the email address you have supplied.

Note: During the course of the year, personal checks up to \$100 may be accepted. Checks over \$100 must be bank checks. Business checks for any amount are acceptable. All checks must be payable to BRRSD.
